

Photo Sharing –www.flickr.com

To display a photo within the VLE Blog, select a photo, click the ‘share’ arrow, and copy the html.

Stage two: Go to the VLE blog.

From the toolbar, click the HTML button.

An ‘HTML Source Editor’ box pops up. Paste the code into it and click ‘update’. You should see your photo appear in the blog entry.

Video Sharing via www.YouTube.com

Select the video that you have uploaded. Click 'share', then 'embed'. Check the 'use old embed code' box. Stage 4: select and copy the code from inside the box. Paste this into the VLE in the same way as above.

The screenshot shows a Windows Internet Explorer browser window displaying a YouTube video page. The browser's address bar shows the URL <http://www.youtube.com/watch?v=WLu4Q99HKvQ>. The video player shows a scene from a parade with people in green uniforms. Below the video player, the video title is "Hebden handmade parade" by user "CaroleKirk" (18 videos). The video has 13 views and 0 likes. The "Share" button is highlighted, and the "Embed" tab is selected. The embed code is displayed in a text box, and the "Use old embed code" checkbox is checked. Four orange arrows point to specific elements: "Stage 1" points to the "Share" button, "Stage 2" points to the "Embed" tab, "Stage 3" points to the "Use old embed code" checkbox, and "Stage 4" points to the embed code text box.
