JISC Mobile Reflections – Evaluation Questionnaire

The purpose of this questionnaire is to evaluate what we've learned from the project, and to give you an opportunity to reflect on your personal learning. Where there are boxes, just use a 'x'.

Digital Literacy ("*digital literacy defines those capabilities which fit an individual for living, learning and working in a digital society*" *- JISC*)

1. To what extent do you feel you have developed new digital skills?

A lot		A little		Not at all	

2. To what extent has your experience during the project given you confidence in your ability to learn new digital skills in the future?

A lot		A little		Not at all	

3. Do you think it would be useful to share your reflective video in any of the following ways ('x' any that apply):-

- e-portfolio (to show employers)
- social networks
- website or blog
- secure VLE space

4. In what other ways might you share your reflective videos?

Mobile Technology appropriateness and ease-of-use

5. What mobile technology were you using?

- iPhone
- Flip Camera
- Other (please specify)

6. How appropriate was it for capturing mobile reflections?

Very		Partly		Not at all	

7. What were the main technical challenges (if any)?

Mobile Reflection

8. What did the *use of audio/visual capture* add to the value of your reflection process?

9. What were the benefits of being able to capture reflections on a mobile device?

10. If there were any challenges, what were they?

Video Editing Process

11. Which video editing programme did you use?

- Windows Live Movie Maker
- iMovie
- Other (please specify)

12. If you used the Movie Maker tutorial, how easy was it to follow?

Very easy		OK		Difficult	

13. How could it be improved?

14. What was the value (in terms of reflection) of creating an edited video of your reflections?

Online Workshop

15. How easy did you find Wordpress to use for the online workshop?

Very easy		OK		Difficult	

16. How easy did you find Adobe Connect to use for the live workshop?

Very easy		OK		Difficult	

17. How could either of the above workshop elements have been improved?

Personal Learning

18. Looking back to your initial learning objectives - what have you learned from your involvement on the project?

19. How will you take this learning forward in your future work?

Project Overall

20. Do you have any final comments, observations or feedback about the project overall?

Thank you very much for completing this questionnaire. I'll be using the responses to write a final report for JISC on our learning from the project.
